The Principal's Office

A Community of Learners

Dear Parents,

Warm Greetings from GMIS-Bali,

As we mark a new beginning, I am reminded of an ancient Chinese saying “the foundation of virtue is built upon a mind that is righteous.....” Which is reflected so appropriately in the recent letter issued but the honorable Minister of Education and Culture Mr. Anies Baswedan, in which he stresses upon building character and values. We have been constantly working on drawing out the best from each child and hone their talents optimally. We at GMIS are committed to follow and respect Government rules and at the same time provide quality education.

In accordance with the regulations by the Government of Republic of Indonesia regarding work permits and Visa, all newly appointed staff will comply with the same.

Our experienced faculty has been orienting and guiding these new teachers

No.	Name	Subject	Experience	Qualification
1.	Alexendra Lanomann	History/EVM/ESS	8 Years	Ph. D
2.	Alicia	English	4 Years	Master's in English
